About MC Recruiting

Over 25 years of Industry Experience

Our dedicated recruitment consultants in Chester and Manchester have over 25 years experience in the fields they serve, giving them the unrivalled ability to understand the complexity of staffing requirements that are specific to different businesses.

We make a name for ourselves as one of the leading recruitment agencies in the North West, we can assist companies of all shapes and sizes with finding highly skilled candidates for a variety of roles either temp or perm placements.

Having over 25 years of experience gives us decades worth of knowledge and expertise across multiple industries that we recruit for. So whether you are in need of permanent office staff or temporary warehouse workers, you can be sure that our consultants will meet your recruiting requirements.

Why MC Recruiting?

We have several distinct attributes that set us apart from other agencies:

At MC Recruiting we take the time to get to know our candidates individually, we invest time into knowing exactly where they are in their careers to help them not only find a job, but the next step in their working lives. This ensures us to source quality candidates every time.

Our team at MC Recruiting are not only industry experts, but are a family of exceptional professional consultants that have an ongoing commitment to obtaining the highest levels of quality in recruitment, it's this ongoing commitment that allows us to build long lasting relationships with our clients that last for years.

With some of our consultants having over 25 years of individual experience our recruitment skills and knowledge are second to none, this furthers our recruitment success in a wide range of industries, making us the perfect choice for your business both now, and in the years that come.
